

Parish Arrangements

Â

Preparation for Confirmation is co-ordinated with the local primary schools. The Church in the parish seeks to encourage children to develop a fuller union with Christ and greater familiarity with the Holy Spirit. Children are made aware that they are becoming full members of the local parish community and are united with the many other followers of Christ throughout the world.

Adults receiving Confirmation will usually do so as part of initiation into the Church. In this context the sacrament follows immediately after Baptism and precedes Eucharist.

Look out for notices about the annual Confirmation dates in the bulletin and on the website.
