Reflection

PARISH OF DRUMCREE

Through the narrow door

The way to happiness is through the narrow door.

This is the happiness-way of Jesus.

We may think that the way to happiness

is to try everything

and find happiness

through a variety of experiences -

or to possess as much as we can,

and try to find happiness

through wealth,

or to build up acquaintance

with people of the right connections

and find happiness in our circle of contacts -

and Jesus talks about a narrow door,

and people who are last being first.

He seemed to find happiness

in the way he treated people,

with acceptance and real love,

and with giving his life for them.

That's the sort of happiness he means:

the happiness of coming from

commitment to children and family

and to those in our care,  
making the best of failures,  
finding spaces and times for prayer  
when we know deep-down  
joy and peace of soul -  
this is the happiness of God,  
and this is salvation.

The door to happiness is narrow,  
but its foundations are deep;  
the door will allow us through  
and we can bring in with us  
to the dwelling of God  
Â  
our goodness and generosity,  
our prayer and our poverty,

and enter with hands open to receive the  
gift  
of the joy and happiness  
of the followers of Jesus.
