

Trip to Cultra - Sunday 10th June 2012

The Parish excursion to Cultra will take place on Sunday 10th June 2012. This is an occasion for parishioners and visitors to worship in the Church of St. John the Baptist which served the Catholic community for many years in Drumcree. It now features as one of the exhibits at the Ulster Folk and Transport Museum in Cultra.

The highlight of the trip will be Holy Mass celebrated at 2.00pm in the old Church. Those travelling are encouraged to bring a packed lunch. Buses will depart from the parish car park at St. John's at 12.30pm. Tickets priced at £3.50 per person can be purchased in advance in the church sacristies. Parishioners and others are equally welcome to make their own travel arrangements.
