PARISH OF DRUMCREE

Mission Statement: Our Parish is a Christ-centred community. In Baptism we are challenged by the Spirit to live and share the Gospel message. Through proclaiming the Gospel message to all, Growth in Faith, Liturgy, Justice Issues and Ecumenism we extend our love and care to all people providing support in renewing and deepening our faith. We value the gifts and talents of each of our Parishioners and invite them to use these in responding to Christ's invitation to all of us to follow Him and spread the Good News to the whole world.

Reflection

#Increase our faith

Faith is like a well:

its water is deep, refreshing,
fed by the stream of living water from God;

it started like a trickle of baptismal water,
now it is deeper,
and we draw on it
for meaning, compassion and Godâ€™s love.

Faith is personal to each of us,
like every child is uniquely loved by parents
in a way that is just for that child.
Faith is like holding Godâ€™s hand,
and we each hold hands
our own way, with our own unique touch.

Be grateful for faith, the gift of God.
Be patient with its growth.
And letâ€™s be confident in its growth.
Through the darkness of doubts,
through the fog of questions,
through the storms of let-down,
faith is nourished and grows.

Like a stone thrown into the well
immediately upsets the water
at the top,
but as it falls it upsets less,
until it hardly disturbs the deep water,
the place of peace and silence,
that place of deep faith,
at the bottom of the well.

For in the bottom of the well is
the home of God,
and nobody can destroy that home
within us.
In the peace and silence of its depths
is the living water,
given for ever;
the water that no stone can disturb,
no sin can destroy.

We are grateful for the water that
lasts forever,
that springs up inside us for eternal
life;
Jesus, the life of God, the life of the world.
