Reflection

Gift of God through others

The wheat was sown in the land  
and grew silently, hidden, day and night;  
the wheat was harvested  
by many human hands.  
And bread was made:  
threshed, shaped, baked,  
and its fragrance filled the house.

The fragrance of God  
is the air we breathe.  
The gifts of life and of love  
are the sources of human strength.  
And like the bread on the table,  
life and love come from God  
shaped and nurtured by human hands.

The bread of life is the work of  
human hands;  
the work of Mary and Joseph caring for Jesus,  
the food made by them nourishing the son of God.

The bread of life is Jesus,  
given to us by Mary, by God;  
given to us by many human hands,  
the hands that care for us in life.

Jesus is the gift of God  
through many others  
to each of us.
