

Visiting the Sick

Do the priests make house visits?

Yes. The priests visit the housebound and infirm every month. If you would like a loved one to be included please inform a priest or the parish secretary.

Are those in hospital visited?

The priests endeavour to call at Craigavon Area Hospital as often as they can. If you have a loved one who is a patient and they would appreciate a visit, please inform one of the priests.

In the event that a loved one is gravely ill you may wish to have the Sacrament of the Anointing of the Sick administered. In that case please make contact with a priest.
